Rhynie Charitable Trust

Membership Application Form 2023

We would be interested in your views on Rhynie and where we might assist to provide the facilities you would like to see provided. We have a number of projects we are trying to progress and hope that you might support these. We need your support as we are often required to provide evidence of local support if we are trying to raise funds for projects from grant providers.

PROJECTS QUESTIONNAIRE

Please tick projects that you would be interested in us progressing. Please note this is not a commitment from you to become involved in the project, although this would be welcomed – just an indication of the type of project which interests you. You can insert your own suggestions as well.
