

# Rhynie Community Action Plan

## Have Your Say

Community Action Plans (CAP) bring a variety of benefits, not least the ability to coordinate all village efforts in progressing mutually beneficial village projects and seeking funding, as well as gaining assistance from the local authorities who require a demonstrated community voice when it comes to supporting projects and initiatives.

This survey is the first stage in developing a CAP for the Rhynie area. It aims to seek your opinion on what is good about our community and what is lacking and will provide data to move the CAP forward, focussing on what could be achievable over a 3-5yr period.

Data from this survey will be collated and presented back to the community in the Autumn to further develop the priorities that the Rhynie CAP should focus on.

You can download this survey online at [Rhynie CAP survey](#) or fill in below and return to the following: Rhynie Corner Shop, Mike Davies Braehead Cottown. If you have any queries on this or more generally on the development of a CAP please email [mike@braeheadrhynie.co.uk](mailto:mike@braeheadrhynie.co.uk).
