Date	

Data Protection and Privacy

At Wheedlemont Turbine Fund we take privacy seriously and will only use your personal information to administer your account and to provide the products and services you request.

We collect the data you provide to make your application and this will be stored in our database to allow us to process and administer your application.

From time to time it will be necessary for us to contact you to obtain further information or to provide details regarding the progress of your application. If you consent to us contacting you for this purpose please tick to say how you would like us to contact you:

Post	<input type="checkbox"/>	Email	<input type="checkbox"/>
Telephone	<input type="checkbox"/>	Text message :	<input type="checkbox"/>

We would like to assure you that we will never pass your details on to any other company, organisation or person for any purpose including advertising or promotion. Your data will only be held for such time as necessary to administer your application and to monitor any grant funding we may offer.

We may wish to use your information to promote the Fund should you be successful in receiving a grant. In such instance, we would contact you in advance to obtain your permission.

Should you wish your information to be removed from our database we would be pleased to comply with any request submitted in writing, but we would wish to advise that this may have unforeseen outcomes for your application.

If you consent to us holding your details for this purpose please tick to confirm:
